

Who has coverage under EPA's Construction General Permit for Stormwater?

Construction permits and Low Erosivity Waivers (waivers from the permit): <https://e-enterprise.gov/workbench> - you can go in as a guest, and the CGP query is on the top left of the page (screen capture below). This will give you access to all of the NOI submissions and their copies of record from 2017 on. LEW is a choice in the "Form Type" section.
